

**Renovated family-operated hotel Hohe Linde in Isny.**

**The hotel Hohe Linde in Isny im Allgäu, a climatic health resort, has altogether 34 rooms. In May 2014 the renovation of 13 rooms by Voglauer hotel concept was completed.**

The decision went in favour of the Salzburg hotel designer Voglauer to renovate the rooms after several visits by the Family Rimmele to their showrooms. The high-quality furnishing plan of the rooms was jointly drawn out and planned. A mix of wild oak combined with split wood in alpine style is rounded off with modern details. The motto “Feel at home when you are travelling” is an important priority and is underlined by the superbly renovated rooms.

A further highlight is the in-house restaurant “Allgäuer Stuben” which has treated guests to the finest in culinary delights since 1974. Business travellers and holidaymakers can relax in the wellness area of the hotel after an exhausting hiking tour or long car journey. A conference room with state-of-the art technology can also be availed of.
