

Relax at the Holiday Inn Nice

Immerse yourself in the relaxed atmosphere of the Côte d'Azur and enjoy the cosy rooms in the Holiday Inn Nice.

Voglauer hotel concept was brought on board as a renowned service partner in the construction of the Holiday Inn Nice. The company's years of experience as a hotel designer and numerous case studies of successfully completed projects were key factors in the decision to award the contract.

The 132 rooms, equipped with the cosy interior of Voglauer, have a stylish earth-coloured and turquoise design. A particular highlight is the fantastic view of Nice. A fresh breeze from the Mediterranean Sea blows through the room when the window is open.

The stylish Holiday Inn Nice is located less than 1 km from the Old Town and only a few steps away from the beach. Nice Côte d'Azur International Airport is 7 km away and can be accessed via the Promenade des Anglais coast road.
