

Radisson Blu Hotel Dortmund at Westfalen Park

After renovation, this first class house is now one of the top hotels in the city

The decades of international experience and the impressive quality of the Salzburg hotel designer was the decisive factor in selecting Voglauer hotel concept to manage the renovation of 190 rooms.

Renovation of the interior began at the end of 2013 and was completed in August 2014.

The interior design of the rooms, distributed over five floors, places emphasis on functionality, style and simple, yet elegant design. Cabinets and desks were fitted by Voglauer in dark stained oak. All rooms feature a modern flat-screen TVs, air conditioning, minibar, safe and high-speed internet access.

The hotel is ideal for both business people and private travellers.

In addition, a modern fitness room and a health spa are available for hotel guests. Radisson Blu Hotels & Resorts have been awarded numerous awards for best hotel chain. Currently, there are more than 255 hotels in operation, or under construction, with nearly 60,000 rooms in Europe, the Middle East and Africa.
